Maximum Strength Cosamin^{ASU} JOINT HEALTH SUPPLEMENT

OUR MOST POTENT FORMULA FOR PEOPLE WITH JOINT DISCOMFORT

- ✓ Contains the full clinical strength of active ingredients in an easy-to-swallow capsule.
- ✓ ASU (Avocado/Soybean Unsaponifiables) is obtained from avocados and soybeans and has been shown in laboratory research to inhibit components that result in cartilage breakdown.
- ✓ Ingredients shown in laboratory cell culture studies to work better than the combination of glucosamine and chondroitin sulfate.*
- ✓ Contains decaffeinated green tea extract for antioxidant health benefits.
- ✓ Tested and certified by NSF.

*In laboratory cell culture studies of inflammatory markers associated with joint discomfort and cartilage breakdown it was found that the combination of ASU (avocado/soybean unsaponifiables) + glucosamine + chondroitin sulfate was BETTER than the combination of glucosamine + chondroitin sulfate in reducing these markers.
